AN ACT to amend Tennessee Code Annotated, Title 4,
Chapter 23, Part 1, relative to the executive
residence property.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 4, Chapter 23, Part 1, is amended by adding a new section thereto, as follows:

Section 4-23-104. Notwithstanding any provision of law to the contrary, public funds shall not be expended for structural enhancements, additions or facilities upon property owned by the state of Tennessee that is designated for the executive residence, unless such enhancements, additions or facilities are approved by a majority of the house and a majority of the senate by joint resolution. The provisions of this section shall not apply to the renovation, restoration, expansion and upkeep of the executive residence itself, or to any fixture or furnishings of the executive residence.

SECTION 2. Any public funds allotted for any structural enhancements, additions or facilities upon executive residence property, other than renovating or restoring the executive residence itself, on the effective date of this act shall not be expended for such structural enhancements, additions or facilities but shall instead be allotted for the incarceration and treatment of persons convicted of sexual offenses involving children.

SECTION 3. This act shall take effect upon becoming a law, the public welfare requiring it.
